About Us

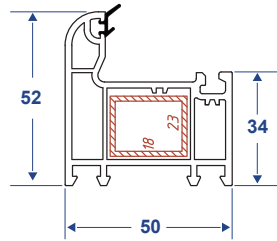

WALDO PROFILES Pvt. Ltd is a leading manufacturer of uPVC and Aluminium profiles for windows and doors, as well as PVC profiles, foam boards, wood-plastic composite doors, and membrane and wooden doors. With nearly 14 years of experience in the UPVC field, we provide the right products for all your needs through our successful brands.

At **WALDO**, named after the inventor of the UPVC profile, we uphold a tradition of rigorously examining all products for quality to ensure they meet customer requirements. In response to the ever-growing market, we offer customizable options that enhance functionality while prioritizing customer satisfaction.
